| | *Recovery of the loan advanced to the Agricultural Bank at Mudumatti in the Kolar District.* | |
| 1 | From the Deputy Commissioner, Kolar District, letter No. 1176-107, dated the 19th August 1904.<br>States that no report on the inspection of the Bank on the lines indicated in Government Order No. 2588-66, dated 10th December 1901, is called for as the Bank is wound up and as the Government have directed the withdrawal of the loan advanced to it in Government Order No. R. 901-3—R. F. 27-97, dated 12th September 1903. | |
| 3 | From the Deputy Commissioner, Kolar District, letter No. 1841—185, dated 29th September 1904.<br>States that the period of the notice issued to the debtors of the Bank to pay up all the debts due by them having expired, the Amildar has been ordered to take needful coercive steps for the recovery of the amount, and that a final report will be submitted in due course. | |
| 4 | To the Deputy Commissioner, Kolar District, Government Order No. Fl. 3537, dated the 9th December 1904.<br>Observes that as the Bank is wound up, no report on the lines indicated in Government Order No. R. 2558-66, dated 10th December 1901, is necessary, and calls for a final report on the result of the steps taken by the Amildar for the recovery of the loan advanced to the Bank. | |

| | *Bonus payable to S. Ramachendra Rao, late clerk of the General and Revenue Secretariat on the Insurance Policies held by him.* | |
| 1 | From the Secretary to the Mysore State Life Insurance Committee, No. 1371, dated the 26th January 1904.<br>Requests to draw the immediate attention of S. Ramachendra Rao, to Rule 10 of the Insurance Rules. | |
| 2 | To S. Ramachendra Rao, No. P. and A. 1692, dated the 24th February 1904.<br>Draws the attention of S. Ramachendra Rao, to Rule 10 referred to above. | |

| Serial No. of File. | Number and date of letter and contents. | References. |
|---|---|---|
| 4 | To the Secretary to the Mysore State Life Insurance Committee, No. Fl. 3201, dated 23rd May 1904.<br>Forwards for disposal an extract of the above petition, together with the policy and premium receipt book of S. Ramachendra Rao. | |

| 6 | From the Secretary to the Mysore State Life Insurance Committee, No. 2216, dated the 25th May 1904.<br>Informs that Ramachendra Rao, having ceased to be in service from June 1902, he should have exercised his discretion and surrendered his policy within three months from that date as per Rule 10 as it then stood, and that since he failed to do so, the premium withheld from that date can only be treated as a debt against his policy and deducted with compound interest at 4 per cent from the bonus payable to him, and requests that the insured S. Ramachendra Rao may be informed of the same. | |
| 7 | From the same, No. 2, dated the 30th June 1904.<br>In continuation of the above, forwards the policy and premium receipt book No. 3255, for delivery to S. Ramachendra Rao. | |
| 8 | To the Secretary to the Mysore State Lite Insurance Committee, No. Fl. 648, dated the 30th July 1904.<br>Asks for the opinion of the Committee whether, with reference to Rule 10, it would not be a proper course to pay to an official, whose services have been merely dispensed with, 50 per cent of the premium paid by him on the analogy of the case of a dismissed official or to treat the arrears of premium as debt against his policy according as the one or the other is more favorable to the insured. | |
| 9 | From the same, No. 924, dated the 18th November 1904.<br>Submits a copy of resolution of the Committee that they are of opinion that the two cases are not quite parallel and that treating as debt the premium due on a policy held by an insured, who merely ceases to be in service and who fails to exercise the option within the provided time is not altogether disadvantageous to him, and hence they are unable to recommend a change of the Rule (Rule 10) as suggested. | |
| 10 | To S. Ramachendra Rao, No. Fl. 3308, dated 1st December 1904.<br>Informs that as he failed to surrender his policy within three months from the date of his ceasing to be in service as required by Rule 10 of the Mysore State Life Insurance Rules, the premium withheld from that date can only be treated as debt against his policy and deducted with compound interest at 4 per cent from the bonus payable to him, and returns his policy and premium book No. 3255. | |

Adverting to your docket No. J. 811-816—Legis. 16-3, dated 26th September 1904, I have the honor to state that no cases were launched out during the year 1903-04, under the Rules framed under the Merchandise Marks Regulation I of 1892 in this district.

Serial No. 5

Adverting to Government Proceedings No. 6305-12—Mis. 1370, dated 6th November 1900, I have the honor to state that there were no cases or complaints under the Mysore Merchandise Marks Regulation, during the year 1903-04. Goods are generally examined in this district by the Taluk officers in Municipal towns where the levy of Octroi duty has been sanctioned and no breach of the rules was brought to notice during the year 1903-04.

*From M. KANTHARAJ URS, Esq., Deputy Commissioner, Mysore, to B. K. VENKATA VARADA IYENGAR, Esq., Secretary to the Government of Mysore, General and Revenue Department, No. 380, dated 16th—18th November 1904.*

Serial No. 6

Adverting to your docket No. J. 811-816—Legis. 16-3, dated 26th September 1904, directing that the report for the year 1903-04, on the working of the Merchandise Marks Regulation may be submitted early, I have the honor to state as follows:—

2. From the reports submitted for the previous two years, it may be gathered that despite the wide publication given to the Rules framed under the Regulation, the local weaving community have not complied with the provisions and the goods manufactured in the district are exposed for sale without their length, etc., duly stamped thereon.

3. The reports received from the several Amildars repeat the same tale with regard to goods locally manufactured. In the case of imported foreign-made goods or yarns, the requirements of the Regulation are complied with, and no infringements have been noticed.

4. The Amildar of Nagamangala Taluk having reported that local-made "duptis" were exposed for sale in the local market without the length having been marked and soliciting instructions whether he could prosecute the owners under Section 10 of the Regulation. I have ordered their prosecution, with the main object of enforcing the requirements of law.

5. Most of the goods that are manufactured in the district are cumblis, panches, duptis, sarees, and checks to some extent. Their dimensions are orally stated and the purchasers measure them before purchase. Even hand-made superior cloths that are imported from outside do not bear any stamp. The weavers are ignorant of English and it is not possible for them to have the goods marked. Under these circumstances, I feel doubtful if the weavers could be prosecuted, simply because the kind of cloths manufactured by them come under the definition of 'piece-goods.' I think it will cause a good deal of hardship to these poor weavers if the requirements of the law are strictly enforced in their case. If it is the intention of

Reports under the Merchandise Marks Regulation I of 1892.

Government that the rules should be made applicable to the local weavers, a clear ruling seems necessary. The only way of enforcing these rules is to prosecute some defaulters here and there, as no amount of instructions has produced any effect.

*From M. S. NARAYAN RAO, Esq., Deputy Commissioner, Shimoga District, to B. K. VENKATA VARADA IYENGAR, Esq., Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department, letter No. 446—297, dated the 28th November 1904.*

His No. J. 811-816—Legis. 16-3, dated 26th September 1904, drawing attention to Government Proceedings No. 6305-12—Mis. 1370, dated 6th November 1900, and requesting submission of the report therein called for. **Serial No. 7**

With reference to the above, has the honor to state that the marginally noted Assistant Commissioners of this district examined the piece-goods in some of the cloth shops of this district. They state that the length of piece-goods was found equal to that mentioned on the goods in stamp.

Assistant Superintendent of Police, Assistant Commissioner, Sagar.

*From K. DORASWAMY IYER, Esq., Deputy Commissioner, Tumkur District, to B. K. VENKATA VARADA IYENGAR, Esq., Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department, No. 414, dated 5th December 1904.*

With reference to Secretary's docket No. J. 811-816—Legis. 16-3, dated 26th September 1904, calling for report on the action taken in the district under Rule XIV of the Rules framed under the Merchandise Marks Regulation I of 1892, the undersigned has the honor to forward herewith copy of Report No. 164, dated 2nd instant, received from the Vice-President of the Tumkur Municipality, regarding the trade descriptions on the piece-goods, etc., imported into or manufactured within the Municipality. **Serial No. 8**

(ENCLOSURE TO SERIAL No. 8.)

MEMO.

In reply to the Deputy Commissioner's Official Memo No. 432, dated 12th October 1904, asking to report on the trade descriptions of the piece-goods, etc., imported into or manufactured within the Tumkur Municipality, the undersigned has the honor to state that the undermentioned piece-goods (of foreign-English and Indian manufacture) are chiefly imported into the Tumkur Town:—

| | | | |
|---|---|---|---|
| 1. Checks | 2. Dorias | 3. Drills | 4. Longcloths |
| 5. Mulls | 6. Muslins | 7. Shirtings | 8. Twills |

2. These goods, which are liable to Octroi duty, are invariably examined with reference to the trade descriptions marked on them, before they are stamped at the Municipal office and are found on measurement to agree with the descriptions they bear, and no material difference has been discovered.

3. No piece-goods, bearing the merchandise marks of any trader within the district i manufactured within or without the Municipality, excepting white panches and dhotis and female black sadis of coarse texture, which bear no trade description falling under any of the kinds published in Government Notification No. 7500—Legis. 93 of the 29th December 1899.

4. The Gazette Notification and the Rules on the subject, received with the memo. under reply are herewith returned.

*To Deputy Commissioners of Districts and Director of Statistics, No. J. 1633-41—Legis. 16-9, dated the 21st December 1904.*

The Government regret to observe that not one of the above reports was submitted by the prescribed date, the 1st September; the delay being particularly bad in the case of the reports from the Mysore, Shimoga and Tumkur Districts. **Serial No. 9**

Reports under the Merchandise Marks Regulation I of 1892.

2. The substance of the reports, too, in several instances, is far from being what it ought to be. Instead of showing what action was taken, several of these reports are merely a record of action omitted to be taken. Thus, the Deputy Commissioner of Chitaldrug thinks he has discharged the duty laid on him by the Government Order of the 6th November 1900, when he has said, without a word of explanation for the omission, that no action was taken in his district, under Rule XIV of the Merchandise Marks Rules. Equally unsatisfactory is the remark of the Deputy Commissioner of Hassan, that no special officer was deputed for the work, and no breach of the rules came to notice; as if breaches of rules are likely to attract attention of themselves, when District officers neglect the injunction laid down in the rules for the periodical examination of goods. The information required is evaded in the curt observation of the Bangalore Deputy Commissioner, that "No cases were launched out during the year." Nor does a general statement such as that made by the Deputy Commissioner of Kolar, *viz.*, "that goods are generally examined in this district by the Taluk officers in Municipal towns, where the levy of Octroi duty has been sanctioned," form an adequate substitute for precise information as to the various steps taken in the district for the purpose of ascertaining that the requirements of the Regulation and of the rules have been duly carried out. The information furnished by the Deputy Commissioner of Shimoga is meagre; it should have been mentioned (among other things) how many shops or places there are in all for the manufacture or sale of goods coming under the rules in question, how many of them were examined, and by whom, on what dates, and with what results.

3. The only reports which approach conformity with the requirements of the Government Order, are those relating to the Tumkur, Kadur and Mysore Districts. But the memorandum submitted by the Deputy Commissioner of Tumkur relates only to the Head-quarter Municipality, and is silent as to the rest of the district.

4. The Deputy Commissioner of the Mysore District brings to notice that notwithstanding the publicity given to the rules, the local weavers have not complied with the provisions thereof, and that the goods manufactured in the district are exposed for sale without their length, etc., being duly stamped on them. He represents at the same time that, as the weavers do not know English, it is not possible for them to have the goods marked, and that a strict enforcement of the law will cause hardship to these men, who are in most instances poor and ignorant. Government consider that there is some force in this representation, but that, in order to avoid invidious treatment, any exemption granted should be rather with respect to the kind, quality or length of the goods than to the means of the men who manufacture them. Before, however, taking any action in the matter, Government will be glad to have the opinions and suggestions of all Deputy Commissioners and of the Director of Statistics in the matter.

5. The Deputy Commissioner of Kadur submits in a tabular form, the results of certain examinations held by himself and by the Amildar of Mudgere. It is hoped that similar examinations will be made by other officers in other parts of the district during the current official year; and that whatever information is not purely statistical will be set out in the form of text, the length of which, if placed in type, should not exceed two pages of printed matter.

## Refund of half the institution fee in cases in which the defendants admit the claim.

FILE No. 23 of 1904-05.

*Docket No. 2182—J., to the Registrar, Chief Court, dated Bangalore, 15th April 1904.*

General Subject No. 32 of the D. R. A. (1903).

Refund of half of the institution fee may be ordered to be made in cases in which defendants admit the claim. It is difficult to distinguish these cases from the cases which are disposed of by agreement of parties without contest.

Serial No. 1.

With reference to the subject in the margin, has the honor to request that he will be so good as to favor the Government with the opinion of the Judges of the Chief Court, regarding the advisability or otherwise, of granting the request.

*Letter No. 210—19, dated Bangalore, 12th July 1904, from V. A. Rajaratna Mudaliar, Esq., Registrar, Chief Court of Mysore, to B. K. Venkata Varada Iyengar, Esq., Secretary to Government of Mysore, General and Revenue Department.*

Serial No. 2.

With reference to your No. 2182 - J., dated the 15th April 1904, regarding the question of refund of half fee under Section 17 A of the Mysore Civil Courts Regulation, I am directed to state that the Chief Judge and Mr. Justice Rangaswami Iyengar agree with the opinion already expressed by the late Chief Judge as noted in the margin. They think the present law provides all necessary relief if the parties choose to take advantage of it.

When the Regulation sanctioned the refund of moiety of institution fees in certain cases, I presume that the intention was to facilitate peaceful adjustment of disputes. I do not see why a present of half the fee should be made to a defendant, who is either too careless or too proud to come to terms with his adversary. If the parties come to terms, why should not the agreement be reported to the Court? The bare fact that a defendant does not choose to contest a claim does not prove an adjustment by agreement. The Regulation serves a good purpose which may be defeated by making an amendment as suggested by the Members.

Mr. Justice Nanjundayya, while agreeing that this opinion is the correct one to give as the section now stands, would suggest that it may with advantage be amended by omitting the words 'by agreement of parties.' He considers that the object of charging only half fees is to encourage parties not to engage in frivolous or vexatious contests and to allow for the very much smaller work thrown on the Courts, and that if this amendment is made, a rider would be necessary to provide for the levy of the portion foregone, if the defendant should subsequently apply to the Court and obtain an order for re-opening the case and that this additional expense would very reasonably fall on him in the first instance.

*Letter No. 717 J., to the Registrar of the Chief Court of Mysore.*

Serial No. 3.

Adverting to your letter No. 210—19, dated the 12th July 1904, regarding the refund of a half of the institution fee in cases in which the defendants admit the claim as prayed for in Subject No. 32 of the Representative Assembly's Proceedings for 1903, I am directed to state that if a defendant admits a claim and a judgment follows, it is difficult not to regard it as a judgment without contest. I am therefore to request the favor of your intimating for the information of the Government the present practice in the cases referred to by the Members of the Representative Assembly, and how any difference in the treatment of the two sets of cases can be justified.

*Letter No. 2920—178, Bangalore, 26th November 1904, from V. A. Rajaratna Mudaliar, Esq., Registrar, Chief Court of Mysore, to B. K. Venkata Varada Iyengar, Esq., Secretary to Government, General and Revenue Department.*

Serial No. 4.

Adverting to your letter No. 717—J., dated the 14th September 1904, I am directed to state that the present practice in all the Civil Courts is not to grant refund of half the institution fee in cases in which *decrees are passed* merely on defendants admitting the claim without contest There is however nothing in the terms of Section 17 A of the Mysore Civil Courts Regulation, II of 1898, to prevent an order being passed by a Court for refund of half the institution fee paid on a plaint where without contest the defendant appears and admits the plaintiff's claim, if the Court thereby be satisfied that the parties have come to an agreement. The claim and the admission without contest are ordinarily sufficient to constitute an agreement of both parties, where the admission of the plaintiff's claim by the defendant is full and unconditional. The Subordinate Civil Courts will be instructed accordingly.

**Transfers of the Sub-Judge's Court at Chitaldrug to Shimoga and the Munsiff's Court at Honnali to Chitaldrug.**

---

**FILE No. 118 OF 1904-05.**

*Letter No. 2285—125, dated the 11th October 1904, from V. A. Rajaratna Mudaliar, Esq., Registrar, Chief Court of Mysore, to B. K. Venkata Varada Iyengar, Esq., Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department.*

I am directed to submit, for the consideration and orders of Government, **Serial No. 1** the following proposal for transferring the Subordinate Judge's Court at Chitaldrug to Shimoga and the Munsiff's Court at Honnali to Chitaldrug.

2. The question of transferring the Honnali Munsiff's Court to a more convenient station has for some years past been occupying the attention of this Court. It has been considered now along with the question of affording suitable relief to the District Judge of Shimoga, whose file has been in a state of chronic congestion since the abolition of the Sub-Court at Shimoga, and the conclusion arrived is that the Honnali Munsiff's Court might, with advantage, be transferred to Chitaldrug with jurisdiction over the whole of the Revenue District of Chitaldrug the Sub-Court at Chitaldrug being transferred to Shimoga.

3. The inclusion of the Davangere Taluk within the jurisdiction of the Chitaldrug Munsiff, will be a source of convenience to the people of Davangere. At present they have to travel through the jungle to Honnali and have to cross the Tungabhadra which is attended with difficulty, especially during the monsoon. The average number of suits contributed by the Davangere Taluk will be about 250 a year which will be an addition to the work of the Chitaldrug Court by the inclusion of Davangere within its jurisdiction, but most of the suits are of a small cause nature.

4. The jurisdiction over the Honnali Taluk and a portion of Shikarpur consisting of (1) Shikarpur Kasba Hobli, (2) Mugalgere hobli, (3) Hosur hobli, (4) Thalagonda hobli and (5) Udagana hobli now included within the jurisdiction of the Honnali Munsiff may be readjusted by assigning the Honnali Taluk to the Shimoga Munsiff and the Shikarpur hoblis to the Sagar Munsiff. The average number of suits filed from the Honnali Taluk is 289 a year and the Shimoga Munsiff's file is 1,127, taking the figures of the last three years. Thus the total number of suits in the Shimoga Munsiff's Court under the proposed arrangement will be about 1,400 a year. But the transfer of the Sub-Court to Shimoga will reduce the Munsiff's file since the Sub-Judge will exercise small cause jurisdiction up to Rs. 300. About 300 suits valued above Rs. 50 and not exceeding Rs. 300 now being filed in the Munsiff's Court as original suits, will be cognizable by the Sub-Court as small causes. The Sub-Judge will entertain suits above Rs. 2,500 and not exceeding Rs. 10,000 arising within the Shimoga and Chitaldrug Districts and can also hear and dispose of appeals referred to him by the District Court and thus help the District Judge materially. The Sagar Munsiff's file is only 546 per year and adding the average of suits from the Shikarpur hoblis, 144, the total file will be 690 a year which is not heavy.

5. I am to add that the Deputy Commissioners of Shimoga and Chitaldrug, who have been consulted by the District Judge of Shimoga, are in favour of the proposed changes.

---

*To the Registrar of the Chief Court of Mysore and the Comptroller to the Government of Mysore, No. J. 1535-6—C. 118-7, dated 14th December 1904.*

The experience gained during the past two years has shown that a **Serial No. 7** Sub-Judge's Court at Chitaldrug is not quite necessary, that the District Judge of Shimoga is placed at a great disadvantage without a Sub-Judge at Shimoga to assist him, and that the transfer of appeals to the Sub-Judges at Chitaldrug and Chikmagalur for hearing whether at Shimoga, Chitaldrug or Chikmagalur is attended with much avoidable inconvenience, delay and expense. On the other hand the proposals of the Chief Court, if carried out, will result in a material improvement over the existing state of things. No appreciable inconvenience to the inhabitants of either the Honnali or Shikarpur Taluk is apprehended, while the inhabitants of Davangere will be greatly relieved by the arrangement. The Subordinate Judge's Court moreover will be more usefully located at Shimoga than at Chitaldrug; but it is considered advisable to reduce the Sub-Judge's small cause jurisdiction from Rs. 300 to Rs. 100, as there is a strong complaint regarding the

high limit of Rs. 300 at which it is now placed. Regarding the apprehended heaviness of the Shimoga Munsiff's file, the Government think that it is capable of adjustment by the timely transfer of cases to the Shimoga Sub-Judge.

2. Under these circumstances, the Government are pleased to accord their sanction to the following arrangements which will come into effect from the 1st January 1905:—

(1) The Court of the Subordinate Judge at Chitaldrug will be abolished.

(3) A Subordinate Judge's Court will be established at Shimoga, with original civil jurisdiction up to Rs. 10,000, to be exercised over the Revenue Districts of Shimoga and Chitaldrug, with small cause jurisdiction up to Rs. 100 within the local limits of the jurisdiction of the Munsiff of Shimoga.

(3) A Munsiff's Court will be established at Chitaldrug with jurisdiction over the whole of the Revenue District of Chitaldrug.

(4) The Munsiff's Court at Honnali will be abolished, the original jurisdiction over the Honnali Taluk being transferred to the Shimoga Munsiff and over the marginally noted hoblis of the Shikarpur Taluk to the Sagar Munsiff.

1. Shikarpur Kasba hobli
2. Mugalgere ,,
3. Hosur ,,
4. Thalagonda ,,
5. Udagana ,,

3. A notification to the above effect will be published in the *Mysore Gazette*.

Appointment of G. Seshiengar as Sheristadar of the District and Sessions Court, Shimoga, involving the question of the powers of the Courts as regards ministerial appointments under their control.

---

## FILE No. 132 of 1904-05.

*Letter No. 2484—135, dated the 31st October 1904, from the Registrar, Chief Court of Mysore, to B. K. VENKATA VARADA IYENGAR, Esq., Secretary to Government, General and Revenue Department.*

I am directed to state that G. Seshiengar, who was acting as Sheristadar of the District and Sessions Court, Shimoga Division, for about two years during the absence on furlough of the permanent incumbent, was confirmed in the post on Rs. 100 with effect from 17th January 1904, the date on which the permanent incumbent retired. This was duly sanctioned by the Chief Court on 3rd February 1904 under Section 21 of the Mysore Civil Courts Regulation, I of 1883. **Serial No. 1.**

The Comptroller has called upon the District Judge of Shimoga to obtain the sanction of Government to the appointment in question under Government Proceedings No. 910-49, dated 12th August 1903. It is doubtful if the said proceedings apply to ministerial appointments in the Judicial Department which are governed by Section 21 of the Civil Courts Regulation, I of 1883, and Section 7 of the Chief Court Regulation, I of 1884. If the Government are of opinion that sanction is necessary I am to request that the same may be accorded.

*No. J. 1412-3—C. 132-2, dated the 1st December 1904, to the Registrar of the Chief Court, and the Comptroller to Government.*

Sanctioned, with the observation that the powers of appointment conferred on Courts by Section 21 of the Civil Courts Regulation and Section 7 of the Chief Court Regulation are expressly declared by those enactments to be subject to the rules and restrictions prescribed by Government, one of these being the direction laid down in Government Proceedings No. 910-49, dated the 12th August 1903, a direction which is applicable to appointments in all Departments of the State. **Serial No. 2.**

## FILE No. 15 of 1904-05.

*Letter No. 739—J., dated the 30th July 1904, from Lt.Colonel John Smyth, M. D., I. M. S., Officiating Inspector General of Prisons in Mysore, to B. K. Venkata Varada Iyengar, Esq., Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department.*

**Serial No. 1**

With reference to para 4 of Government Proceedings No. 2704-15—J., dated the 17th June 1904, *in re* the appointment of a teacher on the status and pay of a Hobli schoolmaster,

S. No. 10 of J. F. 59 of 1903-04.

capable of teaching juvenile offenders of the Bangalore Central Jail, some general education of an elementary kind, I have the honor to report that the Inspector General of Education, who was addressed on the subject, states that there is only one juvenile prisoner in the said Jail at present, who will be discharged within a month, but that there are 9 adolescent prisoners of ages, varying from 16 to 20; two of whom are learning English, and one is a Tamil boy, and that though there are no Mahomedan boys at present, it is not unlikely that there will be some among the adolescents. He therefore thinks that the services of a teacher who knows English, Kannada, Tamil and Hindustani are required, and that such a man cannot be had for anything less than Rs. 20 a month.

It appears to me that it would be a good thing to include those whom the Inspector General of Education styles adolescents. In this way a class of some size might be put together, and as the Inspector General of Education says that it would very likely include boys speaking three vernaculars and so, a man knowing three vernaculars would be necessary as an instructor, and he would cost about Rs. 20 a month.

Copy of letter from the Inspector General of Education on the subject is also forwarded herewith.

[Enclosure to Serial No. 1.]

*Letter No. 784—132, dated the 22nd July 1904, from H. J. Bhabha, Esq., M. A., Inspector General of Education in Mysore, to the Inspector General of Prisons in Mysore.*

With reference to your letter No. 514—J. of 21st June 1904, and docket No. 621—J., dated 7th July 1904, I have the honor to inform you that there is only one juvenile offender in the Central Jail at present, who will be discharged within a month. But there are 9 adolescent prisoners of age, varying from 16 to 20, who are being taught to read and write. Two of these youths are learning a Primer of English and one is a Tamil boy. Tamil youths are generally sent down from the Kolar Gold Fields and though there is no Mahomedan offender in the Jail at present, it is not unlikely that there will be one or more Mahomedans among the adolescent prisoners. I think therefore the services of a teacher who knows English, Kanarese, Tamil and Hindustani are required. It would be difficult to get the services of such a man under Rs. 20 a month. I shall be glad to know if this amount will be sanctioned by Government.

*Letter No. J. 674—Pris. 15-2, dated the 7th September 1904, to the Inspector General of Prisons in Mysore.*

**Serial No. 2**

With reference to your letter No. 739—J., dated the 30th July 1904, requesting sanction to the entertainment of a teather on Rs. 20 to teach the juvenile and adolescent prisoners in the Bangalore Central Jail, I am directed to state that the Government propose to raise the age limit prescribed for juvenile prisoners from 16 to 18 years and to exclude adolescents from the measures to be adopted to give instruction in the Jails.

2. I am to request you to be so good as to ascertain and report the probable number of boys who may be admitted as juveniles according to the increased age limit and whether a well-behaved and literate convict is available in the Bangalore Central Jail for teaching the juveniles.

*Letter No. 1152—J., dated the 31st October 1904, from Lt-Colonel J. Smyth, M. D., I. M. S., Officiating Inspector General of Prisons in Mysore, to B. K. Venkata Varada Iyengar, Esq., Secretary to the Government of His Highness the Maharaja of Mysore.*

**Serial No. 3**

With reference to your No. J. 674—Pris. 15-2, dated 7th September 1904, and subsequent reminder No. J. 896—Pris. 15-2, dated 6th October 1904, on the subject of raising the age limit of the juveniles from 16 to 18 years, I have

Raising the age limit of Juvenile prisoners and making arrangements for their education.

the honor to forward herewith copies of letters Nos. 427 and 526, dated 27th September and 20th October 1904, respectively, from the Superintendent, Bangalore Central Jail, stating therein that during the years 1902, 1903 and the current year (for 10 months) 117, 74 and 60 juveniles respectively were admitted, thereby showing an average of 7 per month or a probable number of 84 boys who may be admitted as juveniles under the increased age limit. The Superintendent reports that convict Ranga Rao is literate and well qualified to teach juveniles.

(ENCLOSURE TO SERIAL NO. 3)

*Letter No. 427, dated the 27th September 1904, from G Hume Wright, Esq., Superintendent, Central Jail, Bangalore, to Lt-Colonel J. Smyth, M. D., I M S., Officiating Inspector General of Prisons in Mysore, Bangalore.*

In reply to your No. 985 –J., dated 20-21st September 1904, forwarding copy of letter from Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department, to the Inspector General of Prisons, regarding the Government proposal to raise the age limit prescribed for juvenile prisoners from 16 to 18 years, etc., I have the honor to report that 64 were short termers admitted during the official year 1903 04, that some are so stupid that it is mere waste of time trying to teach them. Only those over one year and who show some intelligence, should be taught. Ranga Rao, a prisoner in this Jail, is well behaved and literate and has been teaching the juveniles under the orders of the Superintendent.

*Letter No. 526, dated the 20th October 1904.*

With reference to your docket No. 1072-J, dated 13th instant, I have the honor to state that during the years 1902, 117, 1903, 74 and during the current year for 10 months 60 juveniles were admitted showing the average of about 7 per month under the increased age limit.

*No. J. 1599 1611—Pris. 15-4, dated Bangalore, 19th December 1904, to the Inspector General of Prisons in Mysore, the Inspector General of Education in Mysore, the Comptroller to the Government of His Highness the Maharaja of Mysore, the District Magistrates, the Registrar of the Chief Court in Mysore and the Inspector General of Police in Mysore, for information.*

In Proceedings No. 2704-15—J., dated the 17th June 1904, it was directed that juvenile prisoners should be given some general education of an elementary kind, a salaried teacher of the status and pay of a Hobli schoolmaster being employed for the purpose. The Inspector General of Prisons, after consulting the Inspector General of Education, reported that there was only one juvenile prisoner in the Jail, who would be discharged within a month, and suggested that, in order to permit of a class with a sufficient number of pupils being formed, a few adolescent prisoners of ages varying from 16 to 20 years, of whom there were about nine, might be included within the scope of the Government order referred to above. Serial No. 4

2. Under the existing rules in Mysore, a juvenile means a prisoner under 16 years of age. In Madras, all male prisoners under 18 years of age are included under juveniles. By raising the age limit here in a like manner, it is expected that a large number of pupils will be available for receiving elementary instruction. The Inspector General of Prisons reports that the average number of convicts that might be admitted as juveniles under the increased age limit will be seven per month or about 84 a year.

3. In these circumstances, the Government of His Highness the Maharaja are pleased to direct that the age limit prescribed for inclusion in the class of juveniles be raised from 16 to 18 years. They also approve of the proposal to employ a literate and well-behaved convict to teach them.

Raising the age limit of Juvenile prisoners and making arrangements for their education.

4. The above directions involve alterations in the rules contained in the Mysore Jail Manual, which are sanctioned as shown below :—

(I) The following shall be inserted as Rules 150, 151, 152 and 164.

"150. For the purposes of these rules, the term "Juvenile" means a male prisoner under the age of 18 years."

"151. All juveniles sentenced to more than one month's term of imprisonment should be sent to the juvenile prison, Bangalore."

"152. In all prisons where juveniles are confined, means shall be provided for separating them altogether, both by day and by night, from other prisoners."

"164. As far as possible, a teacher approved by the Educational Department shall be employed for teaching the juveniles, but if no paid schoolmaster can be got, a literate and well-conducted convict may be deputed for the purpose."

(II) In Rules 153, 155 and 156 of the Jail Manual, for "boys below sixteen years of age," "boys" and "boys under sixteen years of age" respectively, the word "Juveniles" shall be substituted.

---

*Letter No. Pol. 527—Enc. 1, dated the 19th December 1904, to the First Assistant to the Hon'ble the Resident in Mysore.*

In continuation of this office letter No. 2716—J., dated the 17th June 1904, I am directed to forward for the information of the Hon'ble the Resident a copy of the Proceedings of His Highness the Maharaja's Government No. J. 1599-1611—Pris. 15-4, dated the 19th December 1904, directing a modification in the age limit of, and in the arrangements for the imparting of instruction to, the juvenile prisoners in the Bangalore Central Jail.
